PRIVATE DINING PACKAGE

OUR CONCEPT

A community hub in Calgary's Southeast, Starbelly simply offers good food, exceptional wine and the feeling of being home amongst friends.

Chef Paul McGreevy's passion for locally sourced ingredients and home-style cooking is reflected through an ever-changing menu of seasonally inspired dishes. We work closely with local farms and producers, who provide us with lovingly grown ingredients to build every dish. Our beautiful dining room provides a casual space, where friends, family and loved ones can gather to enjoy all that we have to share.

OUR VENUE

The restaurant is comprised of two separate areas: The Main Dining Room (125 guests) and The Private Dining Room (50 guests). For standing, cocktail style events, we can accommodate up to 175 guests between both areas, and up to 80 within the Private Dining Room. From June until September we offer additional seating for up to 30 guests on our beautiful outdoor heated patio (weather permitting). We are also capable of hosting ceremonies such as weddings for a small fee, dependant on the extent of the set up required.

PRIVATE DINING

The Private Dining Room is equipped with AV equipment, including an 80 inch television that is mounted on wall if required for presentations or television events. For additional AV equipment or services our third party vendor would be pleased to provide a quote for your audio visual and lighting requirements. Assistance with floral arrangements and custom cakes can be provided for an additional fee.
